

March 18, 2020 Update

In accordance with the recommendations of President Trump and the CDC, we will be making the temporary transition to host our Sunday services and Mid-week Discipleship online. We will stream these services on our Harvest Facebook page. You can also visit our website for streaming options.

We encourage you to join us ONLINE for each service and encourage you to share these videos on your personal Facebook account. Let's saturate the airways and social media outlets with the Gospel!

Tithes and Offering can be mailed to 801 Mann Street, Newport, NC or through the Givelify app - using your mobile device. Just type in Harvest Church of God. Our logo and Pastor Aaron's picture will be on the screen.

We want you to know that we are praying for you. Join us as we pray one for another, our families, our country, and the world during this pandemic. If you need prayer, please contact any member of our leadership team and we will pray with you.

Please visit [newportharvest.com](http://newportharvest.com) for more information. We will be adding a special page to the website with detailed information and links.
